

On behalf of ECCNC/AVSC and its affiliate surgery centers, we would like to thank you for choosing ECCNC for your upcoming cataract surgery. We aim to make your experience as positive as possible.

You play an important role in making it a success. It is important that you read all the material provided and come prepared on the day of your measurements with questions and/or concerns to make sure we are fulfilling your goals and expectations.

Contained in this packet is the following:

- What to expect on the day of measurements.
- Consent form (with added sheet detailing key concepts contained in the consent form with lens pricing). **To be completed at exam with the technician.**
- Lifestyle sheet. **Please complete prior to your exam and give to technician.**
- VFI sheet (Visual Functioning Index). **Please complete prior to your exam and give to technician.**
- Contact lens sheet.
- Instructions on how to view the Aid-to-informed consent video online.
